RE: Site Inspection, H E Davis and Sons Inc., Buffer #1-4, S/027/044, Millard County, Utah

Date of Inspection: 4/23/99

Time of Inspection: 10:00 AM

Conditions: Rainy

Participants: Tom Munson DOGM

Purpose of Inspection: To determine if the site can be released, based on a request for inspection.

It was determined that the site was still disturbed and that it consists of five (5) bulldozer cuts with no regrading or revegetation other than what is invading naturally. Therefore the request to release is denied and a fee must be paid and the reclamation completed. Pictures were taken of the site.
